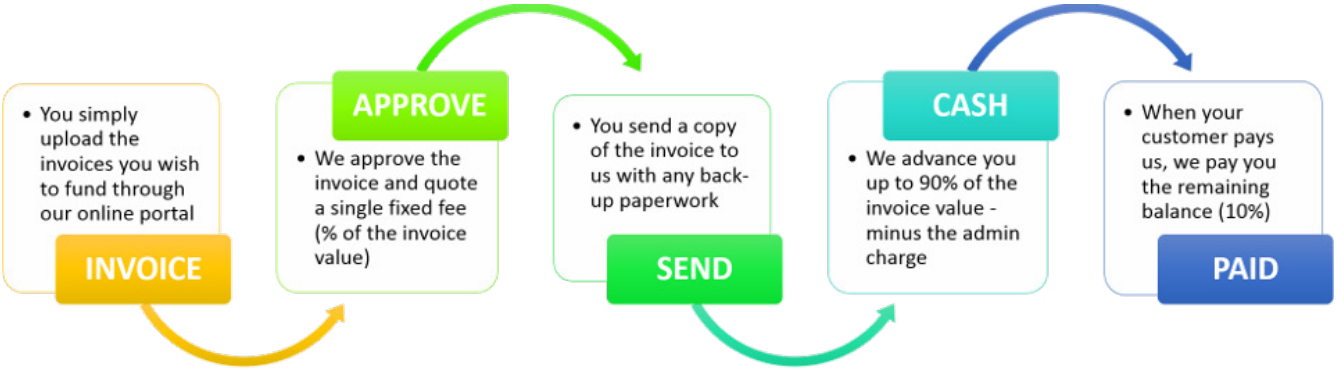
CALVERTON FINANCE

Selective Invoice Finance

A simple and flexible way to access cash by funding just one invoice or more; the choice is yours.

How does it work?



What are the benefits?

- **Fast access to funds** - cash in the bank within 24 hours
- **Flexibility** - choose which invoices you want us to fund
- **No long-term contracts** - use us when it suits you
- **Transparent fees** - no monthly minimum charges
- **Simple** - use as little or as often as you like
- **Peace of mind** - access cash when you need it

Who uses Selective Invoice Finance?

- UK based and raising invoices to other UK businesses
- Seasonal with 'lumpy' cash flow requirements
- Trading mainly with one customer
- Offering credit terms between 30-120 days

What our Clients say...

"Calverton have given us the support we needed with a quick and effective service and are always on the end of the phone to help with any queries we have.

Their team are excellent and I would have no hesitation to recommend them to other businesses looking for a commercial, efficient and great service"

Shane Manogue, W12 Recruitment Ltd

"Having worked with other banks and invoice finance companies over 30 years in different arenas, Calverton are every Director's dream when it comes to a financial institution.

I have found them to be prompt, courteous, efficient and most importantly - flexible!! We feel that we get genuine value for money from their service."

Anthony Meade, Fresh Start In Education Ltd

A simple example...

- **Invoice raised** on 30-day terms = e.g. £50,000
- We **advance you** 90% = £45,000
- We receive **£50,000 directly from your customer** at the end of payment terms
- We **pay you the remaining** 10% minus the single fixed fee
